MENT. WASHINGTON, D. C., March 5, 1856. NEWSPAPERS throughout the United States will render a service, in our opinion, to persons having correpondents in the Pacific region, by giving conspicuous phents the subjoined circular in their respective columns

JOHN B. WELLER, Senate of the U.S., from California J. W. DENVER. House of Rep. U. S., from California, P. T. HERBERT, House of Rep. of U. S. from California. JOSEPH LANE, Del. from Oregon, H. R., L. 8. J. PATTON ANDERSON Del. from Washington Territory, H. R., U.S.

To persons mailing Letters for California and the Tetories of Washington and Gregon :- Thousands of letters ... to the Pacific coast become dead letters. To remedy this of the Post Office Department, under the authority of Congress, has adopted as an auxiliary to its operations the following plan or simultaneously publishing at each and every post office in the Pacific region, in a list called "Pacific Mail List," the names persons to whom letters have been sent by mail to post offices in California and the Territories of Washington and Oregon. Br this system, a letter may be sent to any post office in the Pacific region for a person whose location is unknown, save the mere fact that he is somewhere in California or the Territoire of Oregon and Washington; if the letter be published in the Pacie Mail List, its ultimate reception by the person for whom his intended will be rendered highly probable. To enable those who may desire to extend to their Pacific correspondents the advantages thus offered, the following illustration is given:

Suppose it is wished to send to the Sacramento post office a letter for George Wilson, who emigrated to California from Pile county, Missouri, but it is feared that he may have changed his location, and hence may not receive the letter. In this case, direct the letter to George Wilson, (late of Pike county, Missour) Sacramento, California. Then, in order to publish the letter is the Pacific Mail List, copy the address of the letter upon a piece of paper or card, and enclose the card, together with a three-cent postage stamp, in an envelope to the Pacific Mail List, N. Y. Deposit the letter, as usual, in the mail for Cabfornia, and at the same time drop the envelope, containing the card to publish the letter, in the mail for New York. From the address on the card thus received at the New York post office, the name, George Wilson, will be entered in its appropriate place in the Pacific Mail List, which is printed and pentry with each and every postmaster in California and the Territories of Oregon and Washington, and by them posted in a conspicuous place in their respective offices. The list thus being distributed over the entire Pacific region, George Wilson may at once learn from it that a letter for him has been sent to the Sacramente post office. No person of a similar name will receive the letter, for the address on it points out that it is intended for George Wilson, late of Pike county, Missouri. Thus MANY letters wil

be received that would otherwise be transmitted to the dearletter office. The envelopes containing the advertising cards sent to the Pacific Mail List, New York, pay postage like ordinary mail matter, and must be pre-paid. The addresses of their vepted on the pieces of paper or cards should be written in a your and distinct manner. The three-cent postage stamp enclosed in the envelopes defray the expenses of publication, and must sorbe pasted to the cards, but simply enclosed with them. In the ab sence of postage stamps, three-cent coins may be substituted. It is believed that this circular has been drawn up so explicitly as to require no explanations; but should this prove not to be the case, postmasters will take notice that all interrogatoris

must be addressed to the Pacific Mail List, New York, and not to the department. The first of this series of lists will accompany the mail of May 5th, and will be forwarded by each succeeding mail. OLIVER E WOODS. POST OFFICE DEPARTMENT.
